LEGENDARY RENEGADE QUALITY - VILLAGIO

VILLAGIO LIVING SPACES

Every Villagio is built with beautiful Maple hardwood cabinets finished in warm Nutmeg stain with Satin Nickel hardware. The countertops are polished solid surface, adding a high quality look and a modern design appeal. 25UCB shown in Hazelnut Décor.

With its sleek and sophisticated styling, Villagio makes every square inch count. The comfortable dinette lounge has plenty of space for dining and relaxing, and converts quickly and easily to an extra sleeping berth. Hidden under the seats, you'll find plenty of storage to compliment the overhead and over-cab storage cabinets. 25UCB shown in Hazelnut Décor.

Villagio comes with an impressive list of standard features, but most important is the outstanding quality that is in the DNA of every Renegade motorhome. Better materials, finer craftsmanship, and greater attention to detail blend together to create excellence you can clearly see and feel.
